Inetum announces the appointment of Patrice Gautier as Managing Director of Inetum in Romania

The general management of Inetum Romania has been entrusted to Patrice Gautier, an experienced Director with a demonstrated history of working in the information technology and services industry.

A graduate of the University of Grenoble Alpes, one of France's top universities, Patrice Gautier has proven strong professional skills in Business Development, IT Strategy, Software Project Management, Management, and IT Outsourcing.

Patrice Gautier joined the Inetum Group in 2018. He has been the General Manager of Inetum Tunisia for the past 3 years. He will continue to assume his role within the group as Industrial Director of the EEMEA & BELUX zone.

Patrice Gautier says: "I am happy to come to lead Inetum's expansion in Romania and the sub-region. From what I've seen in my 5 years in the group, I am confident that our wide range of expertise and experience in most sectors will be of great value to our existing and future clients in Romania. I am excited about conducting our local office transformation towards a System Integration role as we are in 27 countries around the world. I am counting on the dynamic drive of our local talent to continue to make the difference for our clients".

"Proximity, Quality of Delivery and Innovation are our key strengths to help our clients in their Digital transformation.

"We will also expand our local Service Centre and leverage our highly qualified skills to reinforce our outsourcing activities with European clients."

Vincent Rouaix, Chairman and CEO of the Inetum Group, adds: "With his proven experience in the new technologies sector and his leadership, Patrice Gautier will pursue Inetum's growth on the Romanian market and put his energy and drive into the development of the Romania region and the Group's solutions. We wish him every success."
